

Terminal Distribution Electrics

3SB71 Series

Switch disconnectors

3SB71G-125

32 ... 125 A

Surge protective devices

3SU71

Type 2 surge arresters

Modular contactors

3SCH8

10 ... 63 A, 2P & 4P

Modular socket

MS71

16 A, 2P+E

Modular indicator & pushbutton

3SB71D / 3SB71P / 3SB71PD

Accessories

3SB71CC/CJ Auxiliary contact & auxiliary alarm

Including 3SB71C auxiliary contact, 3SB71J auxiliary alarm and 3SB71CC/CJ combination of auxiliary contact and auxiliary alarm

3SB71Q Undervoltage release

Protect the load in the event of a voltage drop (between 70 % and 35 % of its rated value)

3SB71F Shunt release

Remote opening of the device when a voltage is applied

3SB71DD Motor operating devices

Remote control (opening or closing) the combined device, suitable for 3SB71 MCBs up to 63 A and 3SL71 RCCBs
